

THE MONTICELLO THEATRE ASSOCIATION AWARD APPLICATION

In 1975 the Monticello Theatre Association incorporated with the State of Illinois as a not-for-profit organization whose stated purpose is “to promote the theatre arts in Monticello.” This Award was established in 1988 because the MTA wished to return to Monticello, in the form of this ongoing award, the good will of so many patrons and friends who have supported the MTA through financial donations and theatre attendance and to promote the field of theatre arts.

In 2010, the Monticello Theatre Association will present two awards:

- THEATRE ARTS MAJOR AWARD- A \$1000 award to a Monticello High School graduating senior who plans to pursue a major in theatre arts or other technically related fields (e.g. set design, costuming, lighting, etc.) If no qualifying high school senior applies, the award may be given to a qualifying full time college student; however, preference will be given to the high school senior.
- THEATRE ARTS PARTICIPANT AWARD - A \$1000 award to a Monticello High School graduating senior who has participated in theatre during high school but does not plan to pursue a theatre related curriculum in college.

The major purpose of the Awards is to recognize students who have participated in or contributed to the performing arts in high school, community, and/or college and/or those who plan to make the performing arts their career. The primary areas of drama and speech are preferred, but not to the exclusion of vocal/instrumental music, dance, radio, or television.
